BILL 94-06-S
PUBLISHING AN ATHLETIC CALENDAR
INTRODUCED: MARCH 29, 1994

PURPOSE: To promote athletics at Western Kentucky University and provide a service to the surrounding community by compiling a calendar containing schedules of the athletic teams and pictures of the various sports.

WHEREAS: This calendar would let students and the Bowling Green community know well in advance when WKU games and matches are taking place and their exact times, and

WHEREAS: This calendar would provide an excellent public relations avenue for the University to publicize the strong athletic program we have developed, and

WHEREAS: The Student Athletic Committee of SGA will gather the photos and schedules from the Athletics Department to provide to the printer, and

WHEREAS: The Athletics Department has already given their consent to proceed with this project, and

WHEREAS: Funds for this calendar would be provided by local businesses who wish to purchase a certain number of copies of the calendar to distribute among their patrons, and

WHEREAS: Contributing businesses would have their logo printed on top of each month, so the entire calendar would have that business solely, and

WHEREAS: The Student Government Association would purchase some calendars to be distributed among the University community.

THEREFORE: Be it resolved, that we the members of the Student Government Association do hereby recommend that a University Athletic Calendar be published, and that the calendar be compiled by the Student Athletic Committee of SGA.
